### WIRELESS DIRECTORY ASSISTANCE: PANEL DISCUSSION AND LUNCHEON

Dear Colleague,

The Congressional Wireless Caucus will be hosting a briefing and luncheon on *"Wireless Directory Assistance"* on **Friday, September 24, 2004, from Noon-1:30 p.m. in Room HC-7 of the U.S. Capitol. Lunch will be provided.**

With a wireless directory assistance database planned for debut early next year, corresponding with a number of bills introduced in the 108<sup>th</sup> Congress addressing this issue, we hope this briefing will provide staff with information on the details, policy implications, and pros and cons from those in the industry who are intricately involved in the process. The panel discussion will consist of representatives from the **Cellular Telecommunications & Internet Association, Verizon Wireless, and the Consumers Union.**

With Congressional committees preparing to conduct hearings very soon on this important topic, we hope you will be able to attend. For more information, please contact Mike Hurst (Rep. Pickering, 5-5031) or Lori Pepper (Rep. Wynn, 5-8699).

**Space is limited so please RSVP as soon as possible** to Chad Adams in Rep. Pickering's office at (202) 225-5031 or via email at [charles.adams@mail.house.gov](mailto:charles.adams@mail.house.gov). Thank you.

Sincerely,

Rep. Charles W. "Chip" Pickering, Jr.

Rep. Albert R. Wynn
